LIMI

Cookie Policy

This policy works alongside our Privacy Policy. The purpose of this policy is to describe what cookies are, what we use them for, and how you can manage them during your visit to or utilization of the Limi Application and its services.

What are cookies?

Cookies are small text files placed on your device when you visit or use the Limi Application and its services. These files do not contain personal data, but they do contain a personal identifier allowing us to associate your personal data with a certain device. To find out more about cookies, please contact Limi on **support@limicorp.com**.

Useful information about cookies can be found at: **http://www.allaboutcookies.org**

Why do we use cookies?

We use cookies for a number of useful purposes, including; to tailor the Application functionality for you personally by letting us remember your user ID, account number, preferences, location or device type; and to improve how the Limi Application and its services performs. In most cases, a cookie does not provide us with any of your personal information.

The types of cookies we use

We use the following types of cookies on the Limi Application:

> **Essential cookies:**
> These are cookies that allow the Application to perform its essential functions. Without these cookies, some parts of our services would stop working.

> **Site analytics cookies:**
> These are cookies that monitor how the Application is performing, and how you interact with it. We use them to know how best to improve the Application and services.

> **Functional cookies:**
> These are cookies that remember who you are as a user of the Application and to remember any preferences you may have selected on the Application, like saving your user ID, account number, choices or settings.

Deleting cookies

Your internet browser generally accepts cookies automatically. If you do not wish to give your consent or wish to withdraw your consent to essential, site analytics and/or functionality cookies at any time, you will need to delete and block or disable cookies via your browser settings.

Deleting or no longer accepting cookies may prevent you from accessing certain aspects of the Application, where cookies are necessary and/or because the Application forgot your preferences.

Updates to this policy

We reserve the right to update, modify, add or remove portions of this Cookie Policy and/or our Privacy Policy at any time. In such case, we will post the updated policy on the Application, and a banner will be displayed to draw your attention to the fact that changes have been made.

Each version of the information notice takes effect from the moment it is published on the Application. Significant changes to the processing of your personal information will require your approval, in accordance with the applicable legislation.
